

Perfectly connecting tablets and people in the workplace.

Mobile is the new face of computing as devices, such as tablets and smartphones, revolutionize the way we interact with technology. Hospitality is no exception to this revolution, in some cases leading the way. With applications including virtual concierge and room controls, tablets provide a heightened level of control enhancing the guests stay and ensuring an unforgettable experience.

No matter where or how you employ tablets, InVue provides the most complete solutions to:

- 1 Display and protect tablets
- 2 Easily access and utilize the tablet's features
- 3 Provide power to the tablet
- 4 Enable quick tablet mobility

InVue's Commercial Solutions offers best-in-class tablet enhancement products that help protect your tablet while allowing complete, unhindered use of its functions.
