

Tablet/eReader Display Stand

A display stand exclusively designed and contoured to merchandise all types of electronic readers and tablets using the LTO4900 security solution.

- Simple, one piece design – ¼ inch thick (6 mm) clear acrylic
- Portable and elegant display positions the merchandise precisely at the right angle for customers to easily view the screen and all the merchandise features
- Included with each stand are 3 PSA counter mounting pads to secure the display to a counter and 3 PSA clear merchandise pads to minimize accidental movement of merchandise on display
