

Shelf Tether

The only packaged merchandise product when EAS isn't present

HIGH LEVEL SECURITY

Provides a higher level of protection for items than traditional magnetic or mechanical hooks.

EASE OF DISPLAY

Don't sacrifice security for a proper display. Cable recoils so customers can easily interact with merchandise.

AN ECOSYSTEM OF SECURITY

Utilize our OneKEY™ ecosystem and have the advantage of the only storewide single key security system that protects high-theft merchandise.

FEATURES AND BENEFITS

- 1 Only solution designed for high value, shelved products
- 2 Cable recoils so customers can easily interact with merchandise while you maintain a clean shelf
- 3 Secured by the IR StopLok providing fast access to merchandise and superior protection
- 4 Alarming version alarms if the cable is cut or the box is moved off its fixture
